In the matter of:

**Boundary Commission
Docket #10-I-2**

**The proposed incorporation of the
Village of Dexter as a Home Rule City
Washtenaw County**

SUMMARY OF PROCEEDINGS, FINDINGS OF FACT AND CONCLUSIONS OF LAW

SUMMARY OF PROCEEDINGS

- A. On December 22, 2010, a petition was filed with the State Boundary Commission requesting that the Village of Dexter be incorporated as a Home Rule City. The legal description of the area proposed for incorporation is described in Attachment A.
- B. On May 24, 2011, the State Boundary Commission staff issued its comments to the commission after reviewing the petition for legal sufficiency. Staff stated "Based upon our review, it is our position that legal sufficiency has been met for this petition". The legal sufficiency review memorandum is shown as attachment B.
- C. On June 16, 2011, at an adjudicative meeting, the State Boundary Commission examined the petition for legal sufficiency at a meeting held in Okemos. At this meeting, Webster Township's attorney raised objections to the approval of legal sufficiency of the petition based upon the inclusion of (2) areas currently under an Act 425 of 1984 Intergovernmental Conditional Transfer agreement with the Township of Webster being included in the area proposed for Incorporation. His objection was based on the language in MCL 124.29 stating that "another method of annexation or transfer shall not take place for any portion of an area transferred under the contract." The Commission voted to postpone the vote on legal sufficiency until they could receive written advice from the Michigan Attorney General's office regarding whether an area under an Act 425 of 1984 Conditional Transfer can be included in an Incorporation of a new Home Rule City.
- D. On August 15, 2011, Assistant Attorney General Stephen Rideout issued a memorandum of

Providing for Michigan's Safety in the Built Environment

division level advice regarding Act 425 agreements for the commission's consideration for this petition, which is attachment ____.

- E. On August 18, 2011, at an adjudicative meeting, the State Boundary Commission examined the petition for legal sufficiency at a meeting held in Okemos. Attorney Stephen Rideout of the Michigan Attorney General's office provided a written division level memorandum for the Commission's use. He summarized this memorandum orally to the Commission by stating that "there was no impairment as far as legal sufficiency goes under MCL 124.29". Local Commissioner Prater stated that he disagreed with this interpretation and that "this issue should be resolved by the parties involved and not the Commission". The Commission was concerned that the Attorney General's advice would allow the Act 425 Agreement to be declared null and void upon the Incorporation of the Village as a City. State Commissioner Priebe moved that the petition be found as legally insufficient on the grounds that "a deal is deal and if they made a deal on some properties they should be held in place going forward" and "That if we don't find insufficient and allow you to go back and change your boundaries you are going to end up in circuit court which does not serve anyone's interest." Local Commissioner Prater supported the motion. The Commissioners present voted unanimously to declare this petition legally insufficient, pursuant to 1968 PA 191, based upon the inclusion of areas under a current Act 425 of 1984 Intergovernmental Conditional Transfer agreement with the Township of Webster.
- F. On September 15, 2011, at an adjudicative meeting, the state and local commissioners present voted to adopt the draft Summary of Proceedings, Findings of Fact and Conclusions of Law which should be signed by the Chairman and forwarded to the Department Director for review.

FINDINGS OF FACT

- A. This petition to request the incorporation of the Village of Dexter and parts of Webster and Scio Townships, as a Home Rule City in Washtenaw County was filed with the State Boundary Commission on December 22, 2010.
- B. The population of the area proposed for incorporation is 2,338 based on the 2000 Census. The land area of the proposed city is approximately 2.0 square miles. The density is approximately 1169 inhabitants per square mile. The population and density criteria to incorporate as a home rule city is in compliance with the Home Rule City Act (MCL 117.7).
- C. The petition contains 178 signatures. The Scio and Webster township clerks validated 160 signatures as being qualified electors and freeholders residing in Scio and Webster Townships. The Boundary Commission Act requires valid signatures of at least 5% of the population, or 100, whichever number is greater, and who are qualified electors and freeholders of the territory affected by the proposed new incorporation (MCL 123.1007(2)). Therefore, since 5% of the

proposed city's population of 2,338 is 117, the valid signature requirement is met.

- D. Two of the areas shown on sheet 2 of the 3 sheet Part 1 map of the petition are part of a PA 425 of 1984 Conditional Transfer Agreement executed between the Village of Dexter and the Township of Webster. The area shown as "Westridge of Dexter Condominium" was conditionally transferred to the Village of Dexter and filed with the Secretary of State Office of the Great Seal on June 26th, 1997. The area shown as "Parcel 1A" of the Part I map was conditionally transferred to the Village of Dexter and filed with the Office of the Great Seal on December 29th, 2006. Based upon the documentation provided by the Office of the Great Seal both agreements are still in effect.
- E. The PART I map shows the area of the proposed city to be contiguous. The PART III legal description titled "Legal Description Village of Dexter" contains one description. The PART III legal description is substantially accurate and consistent with the PART I Map as required by State Boundary Commission rule 25(1). [R123.125(1)]

CONCLUSIONS OF LAW

- A. The Commission concludes that this city incorporation petition is not legally sufficient on the grounds that it fails to conform to Section 9 of the Intergovernmental Conditional Transfer of Property by Contract Act [1984 PA 425, MCL 124.21-29], which states: "While a contract under this act is in effect, another method of annexation or transfer shall not take place for any portion of an area transferred under the contract."
- B. Since the Commission concludes that the provisions of Section 9 of PA 425 of 1984 preclude the petition for incorporation from being legally sufficient, the Commission recommends that the Director of the Department of Licensing and Regulatory Affairs review the Summary of Proceedings, Findings of Fact, and Conclusions of Law before taking action on the Final Order which is the document shown as attachment_____.

Date: May 24, 2011
Subject: Docket # 10-I-2 Legal Sufficiency Review
Petition to Incorporate the Village of Dexter as a Home Rule City
(Washtenaw County)

The following comments are for your consideration on the legal sufficiency of this petition:

1. This petition to request the incorporation of the Village of Dexter and parts of Webster and Scio Townships, as a Home Rule City in Washtenaw County was filed with the State Boundary Commission on December 27, 2010.
2. The population of the area proposed for incorporation is 2,338 based on the 2000 Census. The land area of the proposed city is approximately 2.0 square miles. The density is approximately 1169 inhabitants per square mile. The population and density criteria to incorporate as a home rule city is in compliance with the Home Rule City Act (MCL 117.7).
3. The petition contains 178 signatures. The Scio and Webster township clerks validated 160 signatures as being qualified electors and freeholders residing in Scio and Webster Townships. The Boundary Commission Act requires valid signatures of at least 5% of the population, or 100, whichever number is greater, and who are qualified electors and freeholders of the territory affected by the proposed new incorporation (MCL 123.1007(2)). Therefore, since 5% of the proposed city's population of 2,338 is 117, the valid signature requirement is met.
4. Two of the areas shown on sheet 2 of the 3 sheet Part 1 map of the Petition are part of a PA 425 of 1984 Conditional Transfer Agreement executed between the Village of Dexter and the Township of Webster. The area shown as "Westridge of Dexter Condominium" was conditionally transferred to the Village of Dexter and filed with the Secretary of State Office of the Great Seal on June 26th, 1997. The area shown as "Parcel 1A" of the Part I map was

Providing for Michigan's Safety In the Built Environment

conditionally transferred to the Village of Dexter and filed with the Office of the Great Seal on December 29th, 2006. Based upon the documentation provided by the Office of the Great Seal both agreements are still in effect.

5. The PART I map shows the area of the proposed city to be contiguous. The PART III legal description titled "Legal Description Village of Dexter" contains one description. The PART III legal description is substantially accurate and consistent with the PART I Map as required by State Boundary Commission rule 25(1). [R123.125(1)]
6. Based upon our review, it is our position that legal sufficiency has been met for this petition.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin M. O'Brien". The signature is fluid and cursive, with the first name "Kevin" being the most prominent.

Kevin M. O'Brien, P.S.
