- Post Office
- Library
- Government Building
- Police/Fire Department

0 250 500 Feet

The Dexter area was settled in 1824 and platted in 1830 as the Village of Dexter. Historically, it has been noted that the Village streets were laid out in such a way that the sun could shine on both sides of each street each day. Even as Dexter has progressed to the fastest growing City/Village in the State of Michigan, the Village has retained its old-time charm and hospitality.

Welcome to Dexter and we hope that you enjoy your visit!
