West Side **Shop** with a **DONATIONS NEEDED!** **Cop**

For the past fourteen years during the holiday season the Washtenaw County Sheriff's Office has held the "Shop with a Cop" program in both western and eastern Washtenaw County. Its purpose is to provide children in need with an opportunity to shop for gifts for those whom they love.

Because the program is funded entirely by donations, the generosity of our donors is essential to the program's success. In 2014, thanks to the big hearts of donors like you, we were able to host eighty-nine needy children from Washtenaw County at the Meijer store on Jackson Avenue in Scio Township.

Each year this program gets bigger and better, we hope this year is no different! The event takes place on Wednesday, December 2, 2015. We are graciously asking for donations in support of this program to provide each child with the opportunity to make their holidays a little brighter!

To donate to Shop with a Cop, please contact Sgt. Keith Flores (734) 973-4694 or floresk@ewashtenaw.org.
